

# QR-Charge Brezelkönig Gift Cards

## I. Scan the QR code on the back of the card

Scan the QR code on the back of your Brezelkönig gift card with your mobile phone camera or a QR scanning app (this can be downloaded for free from your app store).

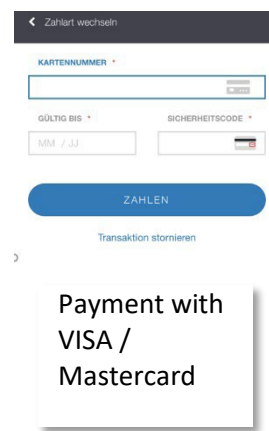

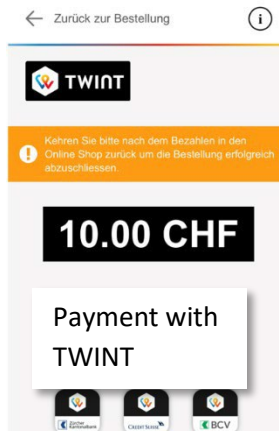

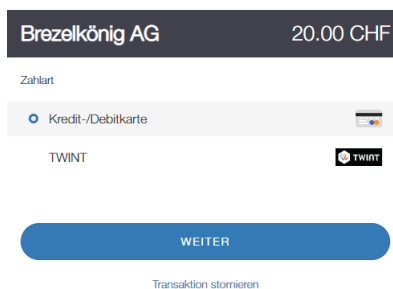

## 2. Charge card

Click on the button "Charge card now".

**Note:** Both an empty card can be loaded and a recharge can be made.

1. Enter the desired charge amount in the field provided.
2. Now enter an e-mail address. The recharge confirmation will be sent to this address automatically.
3. Click on "Pay online" now
4. Select your desired method of payment and the associated card information.

5. You will receive a confirmation of the payment module. Now click on "Back".

6. The load is confirmed once again and the current card balance is displayed.
